7 During the period under review, the Group's business operations continued to face significant challenges arising from the prevailing global geopolitical uncertainties, disruptions in supply chains and an increasingly volatile operating environment due to war in the Middle East. These external factors resulted in heightened input cost pressures, supply-side constraints and intensified competition across the industry, thereby affecting market pricing, margins and overall profitability of the Group. Despite these challenging conditions, the Group continued to adopt prudent measures for effective cost management, operational efficiency and resource optimisation, while remaining focused on strengthening its business fundamentals and maintaining its competitive position. The Group remains committed to navigating these external challenges with resilience and pursuing sustainable growth and improved profitability in the periods ahead.

8 During the period under review, the business operations of the Company have been adversely affected due to worldwide geopolitical scenario and supply uncertainties primarily because of war in the Middle East, which have adversely influenced industry competitiveness, pricing frameworks and overall profitability of the Company.

9 The Basic and Diluted Earnings Per Share (EPS) has been calculated for the current and previous periods/ years in accordance with IND AS-33.

10 The Company has not discontinued any of its operations during the period under review.

11 Previous periods' figures have been regrouped/ rearranged wherever necessary to confirm to the current period's classification.

12 The Company has not discontinued any of its operations during the period under review.

13 Previous periods' figures have been regrouped/ rearranged wherever necessary to confirm to the current period's classification.

14 The operations and profitability of the Company and its subsidiary companies are in line with the industry trend/norms. The management focuses on better operations so as to improve the financial performance of the group in coming period.
